

## Do You Support Ottawa Public Library Strategic Priorities?

The Ottawa Public Library's vision is to build a strong community by supporting literacy and lifelong learning, fostering inspiration and enjoyment, and connecting people to each other and the world. The Board of Trustees established priorities to guide work toward this vision. See the full strategic plan at [www.biblioottawalibrary.ca](http://www.biblioottawalibrary.ca).

Please read the Library priorities below and, beside each priority, enter a single number from 0 to 5 to indicate your position on it. Strong opposition is indicated by 0 and strong support by 5.
