STEERING (EVERGREEN) COMMITTEE
Forest of Reading®
TERMS OF REFERENCE

Mandate:
The Forest of Reading has ten individual steering committees that are tasked with responsibilities once the nominated lists have been confirmed. They are the ambassadors of the Forest and they work closely with the nominated authors, illustrators, and publishers. In most cases, they are also practitioners running the programs.

Responsibilities/Objectives:

- Contacting the nominated Authors/Illustrators/Publishers to ensure they are aware of their nomination and their responsibilities as nominated Authors/Illustrators;
- Remaining as a contact for the nominees until the end of the Program;
- Collecting all required nominee information needed for the official website;
- Creating and collecting program ideas that are appropriate for adult book clubs (each book must have a minimum of 4);
- Being available via email to your committee and attend possibly 1-2 teleconferences.

Deliverables:
This committee is responsible for designing and determining all content for the programs to run. They populate the online presence with content provided by the publishers and authors, or by creating original content. These members are the liaisons for the program and ensure all nominees are abreast of all things relating to the Forest of Reading.

Composition:
The Steering Committee varies from program to program, however the general guidelines are as follows:

- All members must be current OLA members.
- One Chair of the Selection and Steering Committee to oversee and ensure continuity
- A core group of 5 to 10 members
- Those in the core group are expected to make a firm commitment to be fully participating members of the committee
- Full participation involves regular communication with the Chairs of the program, the nominees and OLA
• All members agree to delivering content for the website from the Publishers, Authors/Illustrators and also creating original content if needed

Resources and budget:

Teleconference requirements only. Everything for this committee is managed entirely by email.
